

## **Hidden Harbour Lake Association Notice August 14, 2014**

It is with great sadness that we mourn the loss of a guest to our lake. Mustafa Naserdeen drowned last Sunday after spending the day at Hidden Harbour. Our thoughts and prayers are with his family and friends. A tribute will be sent to Mustafa's family in his memory from the Hidden Harbour Lake Association.

This recent tragedy underscores the importance of water safety and well-trained fire rescue teams. The HHLA Trustees had previously approved and scheduled training for the Springfield Township and the Monclova Township Fire Rescue teams here at Hidden Harbour Lake the week of August 18<sup>th</sup>.

After careful consideration, we have decided to proceed with this training as planned. Teams will be on the lake Monday through Thursday from 10 am until noon familiarizing themselves with the lake and performing drills.

Finally, the HHLA urges all residents to learn from this tragedy and take time to review water safety procedures with family and guests. The Red Cross provides water safety tips at <http://www.redcross.org/prepare/disaster/water-safety>.
